- All our plants are grown from seed collected by us from all over the region.
- Tree guards, weed mat for sale, tree planting tools for sale and hire,
- Every plant is grown outside ensuring hardiness from day one.
- Our plants are grown in 'Lannen 81' cell trays which provide the highest standard of root development for quick establishment once planted on your property. We also offer plants in root trained Forestry Tubes (12 cm x 5 cm) for smaller orders.

NB. Firewise plants - anything will burn, eventually.
