United Nations of Australia
 Finalist World Environment Day
 Award for Environment, Social
 and Commercial Best Practice
 program for Business.

- All our plants are grown from seed collected by us from all over the region.
- Tree guards, weed mat for sale, tree planting tools for sale and hire, deliveries available.
- Every plant is grown outside ensuring hardiness from day one.
- Our plants are grown in 'Lannen 81' cell trays which provide the highest standard of root development for quick establishment once planted on your property. We also offer plants in root trained 'Forestry Tubes' (12 cm x 5 cm) for smaller orders.

PRICE LIST - GST included

NO. OF PLANTS	TUBES	CELLS
0 - 99	\$2.50	\$2.00

★ Discounts apply on orders over 100 plants. Please enquire.

A refundable deposit is required on Lannen trays

- Some species in our list have a higher price due to various demanding propagation or seed collecting methods. Please increase our normal prices by the % listed next to these species names to work out the extra costs.
- A 30% deposit is required on tree orders.
- The nursery closes on October 1 - all orders must be picked up by then.
- Availability of some species may be limited during certain times of the year. Please contact the nursery for current availability.
- We offer a discount for plants ordered prior to 1st December.

• Firewise plants - anything will burn, eventually. This information is only a guide to help you make an informed decision.
